NOTICE OF DUES OWING

MEMBERS RESPONSIBILITY

Dear Member

It has come to my attention that your Union Dues are in arrears.

It is the member's responsibility to keep your dues up to date.

If you are off on disability, WSIB or Leave of Absence or any other reason, we recommend you continue to pay your dues each month so you do not have any issues with benefits.

According to the Benefit Trust Agreement with Benefits Plan Administrators, a member must maintain good standing in order to keep benefits active.

Any member behind more than 3 months in dues will be suspended and be required to pay back dues and \$100.00 Re-Initiation.

You may request a Withdrawal Card (providing your dues are up to date) for the period you will be laid off, retire or quit your job, however, we recommend you keep your dues up to date to avoid any issues with benefits.

Please contact myself or Kathy Richard if you have any questions or concerns.

Regards

Luis Rebelo

Secretary-Treasurer
